FROM THE PASTOR

"Hope springs eternal!" could be applied to Job in our First Reading this Sunday. Hope happens when warm winds sooth our weary bones and long sunny days lift our spirits and renew us physically and spiritually. True hope can only come from God, from trusting Him even in our most difficult moments. As we know, God has a plan for each one of us" a future full of hope."

When we put our complete trust in God, He guides us along the right paths, without our needing to hope for specific things, just as he causes day to follow night and the seasons to follow one another. The benefits gained from true hope are too numerous to mention all of them. It empowers us, gives us greater quality of life, frees us from stress, improves our mental and physical health and encourages us to positive action. In this way, it gives us a reason to get out of bed in the morning, not only to face another day, but to greet it as a welcome gift from God.

Hope is one of the theological virtues, which makes us desire heaven as our goal. Hope causes us to place our trust in God's promises alone and to rely on the help of the Holy Spirit to fulfil God's will. Never was hope needed as much as in our fractured world of today, when greed and desire for power leads to wars, famine, floods, suicides and our inhumanity to others. We long for peace, but our actions so often destroy any hope of it.

Pope Francis said that: "Hope is contagious" so by exercising true hope, we can change, not only our own mentality, but that of others and help them to increase their sense of self-worth and self-confidence, thus sending beneficial effects throughout the world. We are called to be people of hope with Job as our example who continued to hope regardless of what happened to him.

Fr. Steve

Sat Feb 3rd was the feast Of St Blaise, Bishop and Martyr. Individual Blessings of throats will take place Tuesday evening, February 6, immediately after the 7:30pm Mass.

"Our lives change when our habits change. Adopting the habits of Eucharistic Adoration will change every aspect of your life. We tend to emulate the people we spend time with. By spending time in the presence of Jesus in the Eucharist, we become more like Him."

- Matthew Kelly
