THE PASTOR

On Saturday March 14 at the 3:30 Mass at GA, we will celebrate the Sacrament of the Anointing of the Sick. The Anointing of the Sick is the sacrament that is received by those who are ill or suffering. By the sacred anointing and the prayer of the priest, the whole Church commends those who are sick to Christ. The sick person receives the Holy Spirit's gifts of strength, faith, peace, and courage, and his or her suffering is united with the suffering of Christ for the building up of the Church. Through the Sacrament of Anointing of the Sick, the Church carries out Jesus' mission of compassion and healing for the sick. The one who is ill can also be a minister to others. By uniting their suffering to Christ, those who are sick can be signs of faith and witnesses of Christ's Resurrection to the entire community.

The Sacrament of Anointing of the Sick is both "a liturgical and a communal celebration." In the family home, hospital, or church, members of the Body of Christ gather for the sacramental rite led by a priest. The Penitential Rite followed by the Liturgy of the Word and sacramental anointing of the sick can inspire and comfort both those who are ill and their family and friends who are gathered. Many parishes have communal celebrations at which many persons receive the sacrament. These sacramental celebrations are a "source of strength amid pain and weakness, hope amid despair" and a "joyful encounter" for the entire community. Anointing with sacred oil is a sign of blessing by the Holy Spirit of the one who is sick. The Oil of the Sick, which receives a different blessing from the Chrism oil used during Baptism, Confirmation, and Holy Orders, recalls the community's sharing of the Holy Spirit and the sick person's connection to the entire Body of Christ and Communion of Saints.

As a Christian Community, we are called to comfort, pray for and with, and be in solidarity with all who are sick or suffering. Caring for those who suffer is not a burden, but a gift. Those who care for the sick do holy and important work; they walk with Christ's suffering people and in doing so, serve Christ himself. Those who minister to the sick and who work to secure decent health care for all become "the living sign of Jesus Christ and his Church in showing love towards the sick and suffering." The sacrament reminds us that each person is made in the image of God and has dignity that remains unchanged, no matter what the body suffers. The ministry of those who are sick is a powerful witness to the fact that human dignity is intrinsic and does not increase or decrease based on a person's physical state or abilities. This is why the Church works to protect the life and dignity of the person at every stage of life and why the Church works to secure access to decent health care for all. I thank our St. Gregory the Great Health Ministries for working to make this liturgy a special moment for our brothers and sisters who are suffering.
