**From Father Carl:**

Happy Easter to all of you here at St Jerome Church! The Apostles rejoiced when they saw Jesus alive and in no pain whatsoever. May we rejoice knowing that someday we will be alive and forever pain free in the kingdom of heaven.

**THE PASTOR**

Easter is always a fun time filled with family gatherings, and Easter egg hunts. However, Easter isn't just about chocolate eggs and bunny rabbits. It's a reminder that even in our darkest moments there's always a glimmer of hope, a chance for a fresh start. The disciples, as they watched Jesus on the cross, would have felt that all was lost, that it was all over. Yet the reality of Easter is the truth that from that dark moment came the most powerful new beginning for us all! Hope invaded earth, in the middle of darkness.

Easter reminds us that we too can shed our old habits and embrace new beginnings. It's a time to let go of past mistakes and move forward with a renewed sense of purpose and direction. In many ways, Jesus hit the ultimate reset button for each of us, the old order of things passed away and the new has come – the resurrection of Jesus is the ultimate victory!

Easter is also a time of introspection. It's a chance to take a step back and think about what truly matters in life. In the hustle and bustle of everyday life, it's easy to lose sight of the things that are most important. Easter gives us an opportunity to pause, reflect, and reconnect with our values and beliefs. This Easter, take some time in the presence of Jesus, and allow Him to refresh you and remind you of all that He has done in your life.

In a world that often feels chaotic and uncertain, when we turn on the news and see darkness and fear across our world, Easter reminds us that there's always light at the end of the tunnel. It's a reminder that even in our darkest moments, there's still reason to believe that things will get better. It's a message of resilience, strength and an unbreakable love. Easter is a time to count our blessings and to remember just how fortunate we are to be alive. Easter is a time of renewal, reflection, and hope. It's a time to be reminded of the truth of Easter, embrace new beginnings, to reconnect with what truly matters, and to find comfort in the knowledge that brighter days lie ahead. As we celebrate Easter this year, we do so with a heart full of gratitude and a renewed sense of optimism for the future.

On behalf of Fr. Tom King, Fr. Aaron Hess and myself, we wish all of you a blessed and grace filled Easter.

Fr Steve
