THE PASTOR

Of all the great feasts we celebrate within the Church throughout the year, today's Feast of the Holy Trinity presents us with a Mystery that is so deep and transcendent that our eternity will be spent in perpetual contemplation. The Trinity, the life of the Father, Son and Holy Spirit, will never get old, never be fully understood, and will be the cause of our everlasting adoration and joy. Though the Church has used philosophical concepts to explain the Trinity, no human concept or description will ever fully explain Who God is. Though we can point to some general truths about God, we will never be able to fully depict the inner essence, depth, beauty and omnipotence of the Trinity.

The Trinity is a communion of Persons. We do not primarily come to know God through intellectual deduction. We come to know God through prayerful union with Him. The essence of God is beyond any and every philosophical concept we can define. The Father, Son and Holy Spirit are Persons. As Persons, they want to be known primarily through a life of deep and intimate prayer. Praying to One Person, of course, is praying to all, since they are One God. We are called to a relationship of love with the Father, the Son and the Holy Spirit. And though our minds may not be able to fully comprehend the essence of God, God will draw us deeper and deeper into a knowledge of Him.

Prayer begins by listening. Contemplative prayer leads to divine union. Only God can initiate this form of prayer in our lives, and only God, through this deep form of prayer, can communicate Himself to us as He is. Reflect, today, upon the Most Holy Trinity. Say a prayer to God asking for a deeper and more intimate knowledge of Him. Ask Him to communicate to you His divine love and to open your mind and heart to a deeper understanding of Who He is. Try to humble yourself before the great Mystery of the inner life of God. Humility before the Mystery of God means that we know how little we know about Him. The humble truth will help you move closer to the deeper relationship of love with the Trinity to which you are called.

The Archbishop Moeller Knights of Columbus will be collecting at the doors after Masses on June 6 and 7 for their Annual Measure Up Program. 100% of the collections will go to our local charities that dedicate their efforts to children and adults with developmental disabilities

The Christian belief in the Trinity is this: **There is one God, who exists eternally in three distinct Persons — the Father, the Son, and the Holy Spirit.** Not three gods. One God. Three Persons.

Not three roles that one Person plays at different times — like an actor wearing different masks. **Three eternally distinct Persons, perfectly united in one divine nature.**

This is the most profound mystery in Christian theology. *It cannot be fully explained by any human illustration.* It can only be encountered, worshipped, and received.

Why the Trinity Matters for Your Daily Life

The Trinity is not just a theological puzzle for scholars. **It is the foundation of your entire relationship with God.**

You Pray to the Father

Jesus taught His disciples to pray “*Our Father in heaven*” — Matthew 6:9. The Father is the origin of all things. **He is the one who hears your prayers, who knows your needs before you ask, who calls you, His child.**

You Are Saved Through the Son

Jesus is the only mediator between God and humanity — 1 Timothy 2:5. **It is through His death and resurrection that your sins are forgiven and your relationship with God is restored.** There is no other name under heaven by which we must be saved — Acts 4:12.

You Are Empowered by the Holy Spirit

The Holy Spirit lives inside every believer — 1 Corinthians 6:19. **He guides you, teaches you, intercedes for you, and gives you gifts for service.** You are never alone — the Holy Spirit is with you every moment of every day.
