Message from Fr Carl:

Please welcome our new Organist/cantor, Terry Wenninger starting today, July 12. And thanks to Eva Vandegrift who helped during June and who will fill in off and on in the future.

Reminder-Opposite our statue of the Sacred Heart we have a table with a collection basket on it. It is there so that you may put your offering in it as you enter our church. On the fifth weekend of the month, we ask for donations to St Vincent DePaul. Then there are two collection baskets on that table. Please support these appeals generously. Thank-You.

Next Weekend is the festival on the grounds of Immaculate Heart of Mary. The festival runs from 6pm to midnight Friday and Saturday nights. Festivals serve as stress relievers and assist in maintaining emotional equilibrium. Naturally, increasing optimism reduces negativity. Additionally, a festival offers a chance to diffuse conflict and reunites alienated family members and friends through a shared love. There is nothing that unites people like festivals. It enables us to maintain our connection to and preservation of our origin, culture, values, and roots. It promotes celebration and community. Festivals are a moment to embrace hope and forget about all the stress in life. It is a moment to embrace all the sacrifices made in the past and to rejoice in their benefits. The festival is a celebration that is held on a regular basis by a community and is dedicated to a unique aspect of that community's religion or traditions. Come and have fun at the festival or offer yourself as a volunteer to work the festival. It is amazing the new people one can meet and the new opportunities that present themselves.

Also, next weekend, Fr. King celebrates his 80th birthday. We are thankful he is continuing to minister in our family of parishes. Fr. King keeps the spirit of Christmas in us all year long as the rectory at Guardian Angels continues to have some Christmas decorations year-round. We wish him the best of health and a blessed 80th year. Happy Birthday, Fr. King!

Never Argue With Children

A little girl was talking to her teacher about whales. The teacher said it was physically impossible for a whale to swallow a human because even though it was a very large mammal its throat was very small. The little girl stated that Jonah was swallowed by a whale. Irritated, the teacher reiterated that a whale could not swallow a human; it was physically impossible. The little girl said, "When I get to heaven I will ask Jonah." The teacher asked, "What if Jonah went to hell?" The little girl replied, "Then you ask him." -Author unknown
