October and May

For many years St Jerome's parish has prayed the rosary each Tuesday before the 7:30pm Mass. This is a very fine practice and I want it to continue. However, it has become very difficult for me as the leader. Last May I goofed a few times and fell asleep as well. So, I recommend the following: I open the church at 7:00pm. Those who would like to pray the rosary should come early and begin the Rosary at 7:15pm. They should be finished about 7:30pm and then I will begin Mass. Those who come may choose someone to lead the Rosary; or each may pray the Rosary silently. I pray the Rosary daily; but I am finished by noon each day

**THIS SUNDAY OCTOBER 4TH, AT 12 NOON
ST JEROME'S PET BLESSING!!**

**PLEASE REMEMBER THAT IN OCTOBER THERE IS AN:
OCTOBER COUNT 2026**

That's where everyone in church is counted each and every Saturday & Sunday in October and we have to turn in that attendance number to the Archdiocese. PLEASE be in church and be counted.

THE PASTOR

This Sunday is Respect Life Sunday in the Church. From the time we are conceived in our mothers' wombs until we take our final breaths, each moment of our lives is a gift from God. While every season of life brings its own challenges and trials, each season also gives us new opportunities to grow in our relationship with God. The gift of life is threatened in countless ways in our present society. Those who are most vulnerable, rather than receiving the protection they deserve, are all too often seen as a burden and as expendable. As new attacks on human life continue to emerge, we can be tempted to despair, but Christ instead offers us unfailing hope. Hope is not false optimism or empty positivity. Christian hope is something much more profound and goes to the very depths of our identity as followers of Christ.

Hope is the virtue by which we desire the kingdom of heaven and eternal life as our happiness, placing our trust in Christ's promises and relying not on our own strength, but on the help of the grace of the Holy Spirit.

Christ entered the world through the womb of a woman. He willingly experienced the fullness of human suffering. He breathed his last on the Cross at Calvary in order that He might save us. Christians know they have a future: it is not that they know the details of what awaits them, but they know in general terms that their life will not end in emptiness. This is why a woman experiencing a difficult pregnancy can find the strength to welcome her precious child into the world. A man facing a terminal diagnosis can see that the end of his earthly life is only the beginning of eternal life with Christ.

The Church tells us that the one who has hope lives differently. Christ's promise of salvation does not mean that we will be spared from suffering. Rather, the promise of salvation ensures that even in the darkest moments of our lives, we will be given the strength to persevere. Because of this hope, we can face any challenge or trial. When the seas of life swell and we are battered by the waves, hope allows us to remain anchored in the heart of God. May we hold fast to Christ our hope, from the beginning of life to its very end.

Crosses are present on the grounds of our St. Gregory the Great Family of Parishes to remind us of the preciousness of life. The second collection this weekend is for Respect Life activities in the Archdiocese of Cincinnati. Thank you for your generous support.
